Dear Sir

PROSPECTING LICENCE APPLICATION 31 2583

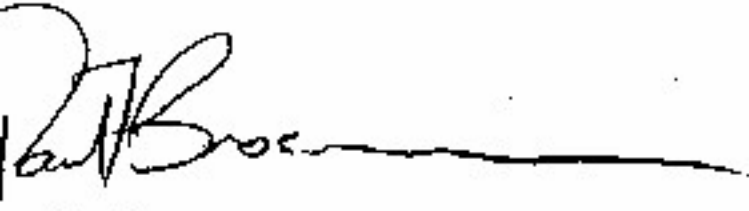

I acknowledge receipt of your application which has been given the number 3102583-00.

This should be quoted in all future correspondence regarding the application.

A preliminary study of your application has been completed and it has been determined that an application for a mining licence would be more appropriate for the area.

This being the case it is suggested that you apply for a mining licence for the area and withdraw this application once priority is confirmed.

Yours faithfully
