Dear Sir

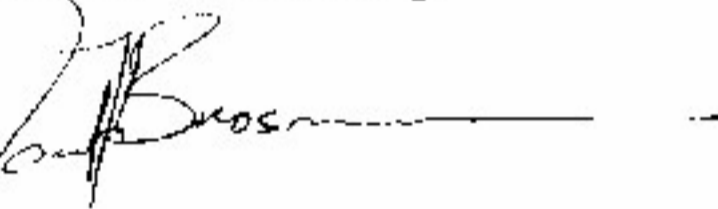

PROSPECTING LICENCE APPLICATION 31 2583

I refer to my letter of 10 May 1989 advising you that an application for a mining licence would be more appropriate for this area.

As you have neither, applied for a mining licence or replied to my letter, I presume that you are no longer interested in the area.

A paper is being prepared to the Minister of Energy recommending that he decline this application.

Yours faithfully

Paul Brosnan
for Acting Secretary of Energy
